Nina Sheridan desperately needs a timeout vacation. With a fianc  who can't even remember how she takes her coffee, Nina wants some distance to rethink her engagement. Flying halfway around the world from England to a mountain town in Colorado should do the trick. But when she finds a gorgeous man at her rental cabin, Nina's cold, lonely adventure suddenly heats up.

The owner of the house, Holden "Max" Maxwell is surprised by the beautiful woman who turns up at his door. But when Nina becomes ill, Max spends days nursing her back to health. A private man with a broken heart, Max finds himself drawn to the strong-willed woman. Soon it becomes impossible for Nina and Max to deny their growing attraction to one another. Yet even as these two wounded lovebirds think about taking a chance on a relationship, a dangerous secret from Max's past emerges-and threatens to end their love for good.
